REMARKS

Quoted rates

This quotation is made in accordance with current currency exchange rates, subject to change with or without notice.

Rates are expressed in USD, unless otherwise stated.

Rates stated on a per container basis apply only as follow:

- i. From one shipper and from one origin to one destination.
- ii. Effective date shall be deemed from on cargo delivered - CY at Origin only (Gated into terminal)
- iii. Unless otherwise specified, application of per container rates is restricted to standard dry containers of any height
- iv. Rates do not apply to dimensional cargo, heavy lifts, perishable or hazardous cargo, unless otherwise specified

Rates include BAF, CAF, DTHC, BCCT, ISPS in effect at the time of the shipment, unless otherwise specified.

Rates DO NOT include origin charges such as, export customs clearance, terminal charges, documentation, B/L fee, land transport, LCL CFS fee, etc unless otherwise specified

Rates DO NOT include destination customs charges unless specified

Rates DO NOT include storage, demurrage and detention charges (if applicable)

Rates DO NOT include customs examination at origin and/or destination (if applicable)

Booking

Service offered is based on weekly sailings with multiple carriers, unless otherwise stated.

All bookings are subject to space and equipment availability by the carriers.

Transit times to destinations are indicative only and are subject to carrier discretion and port conditions at arrival ports

Weight Limitation

Maximum cargo weight accepted by Canadian railways for 20' containers is 21, 500 KG.

No overweight will be accepted and containers with cargo weight over 21, 500 KG will not be moved on rail. Should overweight 20' containers be loaded to a rail car, it will be returned to marine terminal.

They will be subject to applicable penalties of USD 1,000.00 and all related fees.

Maximum cargo weight accepted by Canadian railways for 40' and 40'HC is 27, 216 KG. Overweight charges of USD 325.00 will apply for all containers with a cargo weight between 27, 216 KG and 29, 480 KG.

Any containers with a cargo weight over 29, 480 KG will not be moved on rail

Regardless of the above standard maximum weight, the net cargo weight cannot exceed the allowable weight in a container. Maximum payload is indicated on the door of the container. It is shipper's responsibility to verify the container maximum weight.

Any container whose weight is mis-declared by the shipper is subject to a fine of USD 3,000.00 or more per container.

Wood Packing Materials

All wood packaging must comply with the international norms ISPM-15. Failure to comply will result in penalties and refused entry to Canada. Extra charges which will be billed to your account.

Equipment

Consignee is liable to the ocean carrier for the clean and prompt return of the container in good condition to the nominated depot.

Insurance

Insurance is subject to a deductible of \$ 500.00 per claim unless specified

CEVA AIR & OCEAN CANADA operates under the rules and regulations of CIFFA
